anywhere in the UK

The Versa Vito provides spacious and comfortable travel for wheelchair and seated passengers together. The standard version can accommodate the wheelchair user and up to 5 seated passengers (including the driver).

Larger long and extra-long wheelbase variants, and two roof heights are also available where more interior seating, storage or headroom space is required.

All versions are accessed by twin side sliding doors for ease of passenger access, and can be fitted with either an automatic tail lift or lightweight folding ramp for wheelchair access.

The Versa Vito comes with an impressive amount of standard equipment:

- OEM quality trim and soft headlining
- Recessed lighting throughout the passenger space
- Factory fitted windows all round
- Double front passenger seat
- New-generation LINGUATRONIC voice-operated control system
- Electric front windows
- Electronic engine immobiliser
- 3 years warranty (unlimited mileage) & 2 years free Mercedes breakdown cover

All 5 year Motability lease vehicles also include as standard:

- Metallic paint
- Air conditioning – automatic temperature control including pollen filter
- One rear passenger seat

Please contact our experienced and professional Sales Team for more information, and to discuss the suitability of the Versa Vito for your personal requirements.
