Ford Connect

A real 'car-like' WAV having the exact same fascia as the Ford Focus. Offering the perfect mix of styling and practicality.

Standard Seating:	5 seats + 1 wheelchair
Maximum Seating:	5 seats + 1 wheelchair
Maximum seating when wheelchair user not travelling:	7 seats
Entry height:	1,380 mm
Wheelchair access:	Manual Ramp
Transmissions available:	Manual or Automatic
Fuel Types available:	Diesel

Volkswagen Caddy

Forever a favourite, the Caddy Maxi Life has classic styling & reliability from Volkswagen combined with practical seating for 5 + wheelchair user.

Standard Seating:	5 seats + 1 wheelchair
Entry height:	1,385 mm
Wheelchair access:	Manual Ramp
Transmissions available:	Manual or Automatic
Fuel Types available:	Diesel

Volkswagen Transporter

Offering very similar features to the equivalent Renault Trafic in terms of practicality, the Transporter is a popular WAV for its exterior styling and interior 'car-like' cab design.

Standard Seating:	4 seats + 1 wheelchair
Maximum Seating:	8 seats + 1 wheelchair
Maximum seating when wheelchair user not travelling:	9 seats
Entry height:	1,235 mm
Wheelchair access:	Electric Tail Lift
Transmissions available:	Manual or Automatic
Fuel Types available:	Diesel
Notes: Layout shown includes one optional extra rear seat. Extra wheelchair positions available.	

All vehicles are available to buy or are on the Motability scheme

Volkswagen Caravelle

The most stylish and luxurious WAV available. Offering a beautifully designed interior and refined driving, but without compromising the practicalities required from a WAV.

Tail Lift

Side Lift

Standard / Maximum Seating:	4 seats + 1 wheelchair (Tail Lift) 6 seats + 1 wheelchair (Side Lift)
Maximum Seating when wheelchair user not travelling:	6 seats (Tail Lift) or 7 seats (Side Lift)
Entry height:	Tail: 1,228 mm Side: 1,230 mm
Wheelchair access:	Electric Tail Lift or Electric Side Lift
Transmissions available:	Manual or Automatic
Fuel Types available:	Diesel
Notes:	Extra wheelchair positions available.

Renault Trafic

The WAV that allows extra seating, extra storage or additional wheelchair positions, without having to move into the Large vehicle category. Hugely popular for its versatility.

Standard Seating:	4 seats + 1 wheelchair
Maximum Seating:	8 seats + 1 wheelchair
Maximum seating when wheelchair user not travelling:	9 seats
Entry height:	1,265 mm
Wheelchair access:	Electric Tail Lift
Transmissions available:	Manual
Fuel Types available:	Diesel
Notes:	Layout shown includes one optional extra rear seat. Extra wheelchair positions available.

Renault Master

The best headroom of any WAV on the market with maximum flexibility for extra seating, extra storage and multiple wheelchair positions. The Renault Master is perfect for almost every family situation.

Standard Seating:	4 seats + 1 wheelchair
Maximum Seating:	8 seats + 1 wheelchair
Maximum seating when wheelchair user not travelling:	9 seats
Entry height:	1,565 mm
Wheelchair access:	Electric Tail Lift
Transmissions available:	Manual or Automatic
Fuel Types available:	Diesel
Notes:	Layout shown includes one optional extra rear seat. Extra wheelchair positions available.
